"Physicians United for a Healthy San Diego"

July 18, 2013

Majid Mani, MD
California Retina Associates (El Centro)
1452 S. La Brucherie, Suite A
El Centro, CA 92243

Dear Dr. Mani,

It is my distinct pleasure to inform you that you were selected by your peers, both within your specialty and outside your specialty, as one of San Diego's **Physicians of Exceptional Excellence** — our "2013 Top Doctors" — in the field of **Ophthalmology**.

Our selection process consisted of asking all San Diego board-certified physicians, by specialty, to whom they would send a family member who needed a specialist in their own field. We also gave physicians the opportunity to "write in" physicians outside their particular specialty who should be recognized for their excellence. The average selection percentage for 2013 was 7.4 percent.

San Diego Magazine, in its October issue, will publish your name and office address **as listed above**, along with your office phone number, **(760) 352-7755**, grouped with all the other selectees in your field. If you would like us to change how your name is listed, your address, or your phone number, please let us know in writing, by fax, or by email no later than **August 9, 2013**. As well, we can accommodate the following two special requests (and **ONLY** these two special requests) — as long as they are received prior to **August 9, 2013**:

- If you wish to be listed as affiliated with **ONE specific hospital group –OR– ONE specific physician practice group**. Our records indicate you have an affiliation with California Retina Associates (El Centro).
- If you would like to highlight **ONE specific focus within the specialty in which you were selected**. For example, if you are a board-certified selectee in internal medicine, but focus your practice in gastroenterology, we can add in the phrase "Specializing in Gastroenterology" to your listing. Due to space constraints within the magazine, however, we **must limit your specific focus to no more than three words**, which will follow the phrase "specializing in".

Please note that we **cannot change the specialty in which you are listed nor can we include more than one office address and telephone number**.

If you are not actively practicing in the field or you wish, for whatever reason, that your name **not** be published, please contact me at Gehring@SDCMS.org or via phone at (858) 565-8597 or my cell at (619) 206-8282.

We hope you will join us to celebrate your achievements and those of your fellow physicians at the "Top Doctors" gala hosted jointly by the San Diego County Medical Society and *San Diego Magazine* on Saturday, November 9, 2013. You will be receiving an invitation under separate correspondence. The last nine galas were a blast, so I hope you will make plans to join us as we honor San Diego's **Physicians of Exceptional Excellence**.

Again, my personal congratulations on this well- deserved honor!

"Physicians United for a Healthy San Diego"

July 15, 2014

Majid Mani, MD
California Retina Associates (El Centro)
1452 S. La Brucherie, Suite A
El Centro, CA 92243

Dear Dr. Mani,

It is my distinct pleasure to inform you that you were selected by your peers, both within your specialty and outside your specialty, as one of San Diego's **Physicians of Exceptional Excellence** — our "2014 Top Doctors" — in the field of **Ophthalmology**. My congratulations for being selected **two years out of the last twelve years**— something that only **114** San Diego physicians can say!

Our selection process consisted of asking all San Diego board-certified physicians, by specialty, to whom they would send a family member who needed a specialist in their own field. We also gave physicians the opportunity to "write in" physicians outside their particular specialty who should be recognized for their excellence. The average selection percentage for 2014 was 7.0 percent.

San Diego Magazine, in its October issue, will publish your name and office address **as listed above**, along with your office phone number, **(760) 352-7755**, grouped with all the other selectees in your field. If you would like us to change how your name is listed, your address, or your phone number, please let us know in writing, by fax, or by email no later than **August 8, 2014**. As well, we can accommodate the following two special requests (and **ONLY** these two special requests) — as long as they are received prior to **August 8, 2014**:

- If you wish to be listed as affiliated with **ONE specific hospital group –OR– ONE specific physician practice group**. Our records indicate you have an affiliation with California Retina Associates (El Centro).
- If you would like to highlight **ONE specific focus within the specialty in which you were selected**. For example, if you are a board-certified selectee in internal medicine, but focus your practice in gastroenterology, we can add in the phrase "Specializing in Gastroenterology" to your listing. Due to space constraints within the magazine, however, we **must limit your specific focus to no more than three words**, which will follow the phrase "specializing in".

Please note that we **cannot change the specialty in which you are listed nor can we include websites, email addresses or more than one office address and telephone number**.

If you are not actively practicing in the field or you wish, for whatever reason, that your name **not** be published, please contact me at Gehring@SDCMS.org or via phone at (858) 565-8597 or my cell at (619) 206-8282.

We hope you will join us to celebrate your achievements and those of your fellow physicians at the "Top Doctors" gala hosted jointly by the San Diego County Medical Society and *San Diego Magazine* on Saturday, November 1, 2014. You will be receiving an invitation under separate correspondence. The last ten galas were a blast, so I hope you will make plans to join us as we honor San Diego's **Physicians of Exceptional Excellence**.

Again, my personal congratulations on this well- deserved honor!
