

## **California Cosmetic Laser Awarded Suneva Medical, Inc. Bella Diamond Certificate**

California Cosmetic Laser has achieved Suneva Medical's Bella Diamond status, placing the El Centro practice among the top 1% of Bellafill® providers in the U.S. El Centro, CA 2015

California Cosmetic Laser has been named a Bella Diamond level provider by Suneva Medical, Inc., a rising industry leader in medical aesthetics. The Cosmetic Laser practice in El Centro, earned Suneva Medical's highest distinction for their expertise and experience in procedures using Suneva Medical products.

Dr. Majid Mani attributes the award, in large part, to California Cosmetic Laser's patients. "Patient satisfaction is what drives our practice," says Dr. Mani. "We listen to our patients' needs and always strive to provide them with the best possible treatment option. That's why we love using Bellafill® —it creates elegant, natural-looking results that our patients love."

### **About Suneva Medical, Inc.**

Suneva Medical, Inc. is a privately-held aesthetics company focused on developing, manufacturing and commercializing novel, differentiated products for the general dermatology and aesthetic markets. The company currently markets [ArteFill®](#) in Korea and Singapore; [Bellafill®](#) in the U.S. and Canada; [Regenica®](#) in the U.S. and Canada; [ReFissa®](#) in the U.S. For more information, visit [www.sunevamedical.com](http://www.sunevamedical.com).

California Cosmetic Laser is one of the top distributors of Bellafill in California, a fact that helped them earn Bella Diamond status.
